

Reconnect - CHS Class of 1987

July 8, 2007

Dear Cedar High Class of 1987,

WOW! What an awesome reunion event! I want to personally thank each of you for making our 20-year reunion such a success. Our high-caliber alumni were extremely impressive, and all reunion attendees deserve full credit for making our event so memorable. **Thanks!**

Being tucked among the towering red rock cliffs of Zion National Park set the stage for a magical evening, and created a wonderful opportunity to reconnect with old friends. Just as exciting were the many new connections that were made! I hope we can all take advantage of the class website (redmen87.com) to stay in touch until the next reunion.

I wish to thank the reunion planning committee for their tireless efforts. The selfless actions of these volunteers made it very apparent how much they care about their class!

Cottia Ott Bender

Cottia's determination and dedication were the true drivers behind ALL reunion planning. ***Cottia, we missed you at the event!***

Kandy Beacham Leak

Kandy was the force behind the classmate-only reception, and also created the awesome picture nametags that we all wore at the main event!

Amber Murie McKinney

Amber personally made the reunion quilt and organized the raffle for alumni fundraising. And with the help of **Channing McClean Boles**, she pulled off a great family picnic event!

Kara Reese Wogksch

Kara coordinated the great decorations that personalized the Switchback Grille, manned the registration table (with **Kandy Beacham Leak & Jodie Sutherland Armendariz**), and was crucial in executing the main reunion event.

Steven Boos

Steve's restaurant (**Citris Grill** – Salt Lake City & Draper, UT) provided the amazing food enjoyed at the classmate-only reception and family picnic. Steve also coordinated a classmate pick-up golf game when the reunion golf tournament was cancelled.

Donors & Volunteers

I would also like to thank all of the other donors and volunteers, without whom we would not have had such a grand event – **Thanks!**

For those classmates who were not able to attend the reunion, we definitely missed you! Also, we hope that we can locate more classmates in time for our next reunion, so we ask for everyone's help steering people to redmen87.com.
