

Dear Cedar High Class of 1987,

Believe it or not, 2017 is the year of our 30th class reunion! We know we're a little late on getting the word out, but please plan on attending and celebrating this milestone with your fellow alumni. We've lost several of great friends and classmates, since our 25<sup>th</sup> reunion and so it's even more important to come and spend this time together.
